

2000 Years a Pyre

Lord Of The Lost

There is no blood inside a stone
I feel the cold seep through my bones
No pain for me left to condone
It's you, it's me, it's us
It's us against the flood

Just pins and needles at my feet
Don't roam in grief so endlessly
I'm drained of love, but I believe
It's you, it's me, it's us
It's us against the flood

2000 tears a pyre
2000 years on fire
2000 years a pyre
2000 years a liar
(On fire, a pyre)

My demons kneeling at my crown
I'll never be the one to bow
In tides of time I never drowned
It's you, it's me, it's us
It's us against the flood

2000 tears a pyre
2000 years on fire
2000 years a pyre
2000 years a liar

I fell from heaven straight to hell (On fire)
My kiss much more than a farewell (A pyre)
Forever restless, but you know (A liar)
Way back my story set in stone

2000 tears a pyre
2000 years on fire
2000 years a pyre
2000 years a liar

(Two thousand years) A liar, on fire, 2000 years a liar
(Two thousand years) A liar, on fire, 2000 years, oh
(Two thousand years) A liar, on fire, 2000 years a pyre
(Two thousand years) A liar, oh, a liar
