

# Another Sunny Day in Paradise

Lord Of The Lost

Eden burns  
Demons churn  
Nightmares reign  
Blight unchained

Our dreams atomize  
This is our life  
Another sunny day in paradise  
Earth has run dry  
This is the price  
Another sunny day in paradise

Antichrist  
Burn the hive  
Steeple fall  
Devil's call

We all agonize  
We throw the dice  
Another sunny day in paradise  
Empyrean is nigh  
Just one is left  
A final sunny day in paradise

This is our life, this is the prize  
This is our life, this is the prize  
This is our life, this is the prize  
This is our life, this is the prize  
This is our life, this is the prize

The end is nigh  
We live eternal  
Cursed to stay alive

The end is nigh  
We live eternal  
Cursed to stay alive

Devastate  
Earth Pilate  
Hell is blessed  
God has left
