

Built to Break

Lord Of The Lost

Torn to pieces
On the hard floor
And there's nothing
Left to fight for
And I don't know
How much setbacks
I'll be able
To survive and
Hold the line
And stand my ground
Hang on
When everything goes down, down, down

No matter if you hope and try so hard
You're built to break
You're built to break
No matter if you trust in God or love
You're built to break
You're built to break

I have been there
I have done that
I have seen it
And went through it
And I don't know
For how long I
Will be able
To have faith in hope
You know I've been there before
Be calm
When everyone wants more, more, more

No matter if you hope and try so hard
You're built to break
You're built to break
No matter if you trust in God or love
You're built to break
You're built to break

And even like the phoenix from the flames
You're built to break
You're built to break
And even if you rise and rise again
You're built to break
You're built to break

No matter if you hope and try so hard
No matter if you trust in God or love
And even like the phoenix from the flames
And even if you rise and rise again
