

I.D.G.A.F.

Lord Of The Lost

(I don't give a fuck)
I have become what I feared most of all
(I don't give a fuck)
I lost myself and I will make it your fault
(I don't give a fuck)
I killed my love for a one-night-stand
(I don't give a fuck)
I followed Alice into Wonderland

(I don't give a fuck)
But to be honest I was going to
(I don't give a fuck)
It's only me and my I.O.U.'s
(I don't give a fuck)
No more could-have-beens and wanna-bes
(I don't give a fuck)
No more head over heels

I don't give a fuck
But if I did
Would you give a shit?
I don't give a fuck
But when I do
I'll give it to you
"I don't give a fuck!"
(I can't give it, no)
"I don't give a fuck!"
(I can't give it, no)

(I don't give a fuck!)
When no one loves you, you recall your scars
(I don't give a fuck!)
The scab is itching so fucking hard
(I don't give a fuck!)
I'm getting careless, I can't gauge the dose
(I don't give a fuck!)
I'm losing control

I don't give a fuck
But if I did
Would you give a shit?
I don't give a fuck
But when I do
I'll give it to you
"I don't give a fuck!"
(I can't give it, no)
"I don't give a fuck!"
(I can't give it, no)

In a wonderful world far away
And from long ago
In a wonderful world we are
Still one body
One heart and one soul

I don't give a fuck
But if I did

Would you give a shit?
I don't give a fuck
But when I do
I'll give it to you
"I don't give a fuck!"
Don't give a fuck
(I can't give it, no)
"I don't give a fuck!"
Don't give a fuck
(I can't give it, no)
