

If Johnny Cash Was Here

Lord Of The Lost

If Johnny Cash was here
I would thank him for my life
The strenght that grew in me
Inspiration and advice

If Johnny Cash was here

If Johnny Cash was here
I would ask him for the price
A man has got to pay
Addicted to a vice

If Johnny Cash was here
If he was here

Oh, we, we go alone
Oh, we, we go all alone
Oh, fear, welcome my old friend
Don't leave my side 'till the end

If Johnny Cash was here
I would ask him for the truth:
"Is there a place for me,
If there's a place for you?"

If Johnny Cash was here

If Johnny Cash was here
I'd ask for shelter for the night
To listen to him sing
And everything's alright

If Johnny Cash was here
If he was here

Oh, we, we go alone
Oh, we, we go all alone
Oh, fear, welcome my old friend
Don't leave my side 'till the end

If Johnny Cash was here
I would ask him for a loan
To pay it back to him
When we'll be together soon
