

Light Can Only Shine In The Darkness

Lord Of The Lost

Without you I'll be heartless
Oh, light can only shine in the darkness
In the darkness

In the dawn of dusk
Found what I'd lost in the shadows
Oh, from night to day
Your absence of light will keep me safe

Allied in high and low
Allied in love and woe

Without you I'll be heartless
Oh, light can only shine in the darkness
Without you I'll be heartless
Oh, light can only shine in the darkness
High and low
Love and woe
Oh, light can only shine
Light can only shine in the darkness

Sweetest bitter taste
Imperfect grace in the chaos
Oh, two poles apart
Fire and spark in brightest dark

Allied in high and low
Allied in love and woe

Without you I'll be heartless
Oh, light can only shine in the darkness
Without you I'll be heartless
Oh, light can only shine in the darkness
High and low
Love and woe
Oh, light can only shine
Light can only shine in the darkness

In the dark through the eclipse
When glow and gloom die in a kiss

Without you I'll be heartless
Oh, light can only shine in the darkness
Without you I'll be heartless
Oh, light can only shine in the darkness
High and low
Love and woe
Oh, light can only shine
Light can only shine in the darkness

Oh, light can only shine
Light can only shine in the darkness
In the darkness
