

# Never Let You Go

Lord Of The Lost

I will never let you go

Love hurt me - For better or worse I'll be here  
(Cause you're the beauty, a beauty I'm the beast)  
Love hurt me - My heart will engulf yours my dear  
(Cause you're the beauty, a beauty I'm the beast)  
Love hurt me - The walls of temptation grow higher  
(Cause you're the beauty, a beauty I'm the beast)  
Love hurt me - We're risking it all for destruction and desire

No way out and no way back  
A bride in white a dress so red  
No I will never let you go  
Oh I will never let you  
I will never let you go

Love hurt me - A gloss on your lips as you leave  
(Cause you're the beauty, a beauty I'm the beast)  
Love hurt me - I'm saving the rest of your blood red sweat for  
me

No way out and no way back  
A bride in white a dress so red  
No I will never let you go  
Oh I will never let you  
I will never let you go

Don't leave your vow unspoken  
Now that I step into the light  
I will never let you go  
Just take my true love token  
Hold me and kiss me goodbye

No way out and no way back  
A bride in white a man in black  
No I just couldn't let you go  
Oh I will never let you  
I will never let you go
