

Big Star

Lorde

Everyone knows that you're too good for me, don't they?
I'm a cheater, I lie and I'm shy but you like to say hello to total strangers
Shivering pines and walls of colour, I can't believe I used to stay inside

But every perfect summer's gotta say goodnight
Now I watch you run through the amber light
I used to love the party now I'm not alright
Drinking in the dark, take me home tonight

Baby you're a big star
You're a big star
Wanna take your picture

I toss up if it's worth it, now, every time I get on a plane
I've got so much to tell you and not enough time to do it in

But every perfect summer's gotta take its flight
I'll still watch you run the window light
I used to love the party now I'm not alright
Hope the honey bees make it home tonight

Baby you're a big star
You're a big star
Wanna take your picture

'Til I die
'Til I die
'Til I die
