

## California

Lorde

Once upon a time in Hollywood  
When Carol called my name  
I stood up, the room exploded, and I  
Knew that's it, I'll never be the same  
That's when the doors swung open  
And the voice said, "We're glad you came"  
Now I've spent thousands on you, darling  
Oh, the hotels and the jets and I'd pay it all again  
To have your golden body back in my bed  
But I don't miss the poison arrows aimed directly at my head

Goodbye to all the bottles, all the models  
Back to the clouds in the skies in a whole new way

Don't want that California love  
Don't want that California love  
Don't want that California love

Oh, once upon a time the Canyon store  
Was where my world began  
All that mystery and beauty gleaned from desert flowers and gif  
ted children  
But it got hard to grow up with your cool hand around my neck  
Now in my hometown, sunbathing  
My girlfriends and my baby  
But every time I smell tequila  
God, it goes up in my mind again

Goodbye to all the bottles, all the models  
Back to the kids in the lines for the new Supreme

Don't want that California love  
Don't want that California love  
Don't want that California love  
Don't want that California love  
Don't want that California love

(Hmm) It's just a dream  
(Hmm) It's just a dream  
(Hmm) Said it's just a dream  
(Hmm) I wanna wake up, I wanna wake up
