Lorde

Knew when I felt it hit  
Stood in the park under the eclipse  
It was only a field trip  
'Til it cooled my blood  
That's how it tends to start  
You're in the light, then you're in the dark  
Then someone throws a flare  
You tasted my underwear  
I knew we were fucked

My bed is on fire  
Mama, I'm so scared  
Don't know how to come back  
Once I get out on the edge  
He spit in my mouth like  
He's saying a prayer  
But now I'm crying on the phone  
Swearing nothing's wrong  
Blame it on

Uh-uh, uh-uh-uh  
Current affairs (Girl, your pussy good, it grip me good a me fi tell you)

All alone in my room  
Watching the tape of their honeymoon  
On the boat, it was pure and true  
Then the film came out  
Hope that we can ignore (Oh-oh-oh)  
Voices we hear through the open door (Oh-oh-oh)  
Would you dive to the ocean floor  
Just to take my pearl?

'Cause my bed is on fire ('Cause my bed is on fire)  
Mama, I'm so scared (Mama, I'm so scared)  
Were you ever like this (Were you ever like this?)  
Once you went out on the edge?  
He spit in my mouth like  
He's saying a prayer (Ah-ah-ah-ah-ah)  
But now I'm crying on the phone  
Swearing nothing's wrong  
Blame it on
