

# Everybody Wants To Rule The World

Lorde

Welcome to your life  
There's no turning back  
Even while we sleep  
We will find you

Acting on your best behavior  
Turn your back on Mother Nature  
Everybody wants to rule the world

It's my own desire  
It's my own remorse  
Help me to decide  
Help me make the most of freedom  
And of pleasure  
Nothing ever lasts forever  
Everybody wants to rule the world

There's a room where the light won't find you  
Holding hands while the walls come tumbling down  
When they do, I'll be right behind you  
So glad we've almost made it  
So sad we had to fade it  
Everybody wants to rule the world  
Everybody wants to rule the world  
Everybody wants to rule the world
