Green Light

I do my make-up in somebody else's car We order different drinks at the same bars I know about what you did and I wanna scream the truth She thinks you love the beach, you're such a damn liar

Those great whites, they have big teeth Hope they bite you Thought you said that you would always be in love But you're not in love, no more Did it frighten you How we kissed when we danced on the light up floor? On the light up floor

But I hear sounds in my mind Brand new sounds in my mind But, honey, I'll be seein' you 'ever I go But, honey, I'll be seein' you down every road I'm waiting for it, that green light, I want it

'Cause, honey, I'll come get my things, but I can't let go I'm waiting for it, that green light, I want it Oh, I wish I could get my things and just let go I'm waiting for it, that green light, I want it

Sometimes I wake up in a different bedroom I whisper things, the city sings them back to you

All those rumors, they have big teeth Hope they bite you Thought you said that you would always be in love But you're not in love, no more Did it frighten you How we kissed when we danced on the light up floor? On the light up floor

But I hear sounds in my mind Brand new sounds in my mind But, honey, I'll be seein' you 'ever I go But, honey, I'll be seein' you down every road I'm waiting for it, that green light, I want it

'Cause, honey, I'll come get my things, but I can't let go I'm waiting for it, that green light, I want it Oh, honey, I'll come get my things, but I can't let go I'm waiting for it, that green light, I want it

Yeah, honey, I'll come get my things, but I can't let go I'm waiting for it, that green light, I want it Oh, I wish I could get my things and just let go I'm waiting for it, that green light, I want it

I'm waiting for it, that green light, I want it I'm waiting for it, that green light, I want it I'm waiting for it, that green light, I want it I'm waiting for it, that green light, I want it I'm waiting for it, that green light, I want it I'm waiting for'it, that green light, I want it
