

Blow My Fuse

Lordi

You rub me in a way that makes me lose my mind
Yeah, yeah
Better not hesitate because there's juice in the line
Yeah

I'm overcharged by everything that you do
But you're too hard to refuse

You blow my fuse

Take it out, plug it in, your socket fits like a glove
Yeah, yeah
You deny you're too tight, I know you need a good shove
Ooh that's right

I'm overcharged by everything that you do
But you're too hard to refuse

You blow my fuse

You blow my fuse
You blow my fuse
You blow my fuse
Yeah, yeah

You blow my fuse
Yeah, yeah
You blow my fuse
Yeah, yeah
You blow my fuse
Yeah, yeah
You blow my fuse
