Lordi

The day you walked away for the last time  
Burned in my memory too deep  
I hear your reasons but I can't let go of the feeling  
Building this hate inside

The bitterness I'm feeding!

On the carousel  
Cannot get off of the carousel of hate  
On my carousel, spinning insane  
And around and round on this carousel I go

I go insane and I can't help myself  
You should have known that about me  
You wanna stop the ride, but, babe  
You bought your ticket

My rage is on the rise  
And now you're gonna get it

On the carousel  
Cannot get off of the carousel of hate  
On my carousel, spinning insane  
And around and round on this carousel I go

Cannot get off of the carousel of hate  
On my carousel, spinning insane  
Around and round on this carousel I go

I will not take one more excuse  
Oh, no, I won't hear it  
You are the one I chose to choose  
And you have no say

I won't take no for an answer  
You are in me like a cancer  
I won't be second rate  
No way in Hell

My love is built of hate on my carousel!

On the carousel  
Cannot get off of the carousel of hate  
On my carousel, spinning insane  
And around and round on this carousel I go

Cannot get off of the carousel of hate  
On my carousel, spinning insane  
And around and round on this carousel I go

Cannot get off of the carousel of hate  
On my carousel, spinning insane  
And around and round on this carousel I go

Cannot get off of the carousel of hate
