Cyberundertaker

Lordi

Wait, I'm changing
Malformation grows
Wait, I'm aching
Blood pressure's low

Hey, now I'm wrecking!
Mutation overloaded
Heyyeyeah, I'm changing!
Cast iron, flame thrower

Sane dog bites baby
Infernal vision baker
Steel mind and body
Cyberundertaker

Go Cyberhino!
Go Cyberhino!
Go Cyberhino!
Cyberundertaker

Brain pollution
Barb-wire [?]
Chained to damnation
Internal robot reveals

Go Cyberhino!
Go Cyberhino!
Go Cyberhino!
Cyberundertaker

Please believe me
I'm not the same
I'm not as weak inside
I'm just a cold device
It's a killing machine before your eyes!

Go Cyberhino!
Go Cyberhino!
Go Cyberhino!
Cyberundertaker

Go Cyberhino!
Go Cyberhino!
Go Cyberhino!
Cyberundertaker
