

Hell Has Room (No Vacancy in Heaven)

Lordi

You ever wonder where do all the folks go
Or do you think that it is something you know
To just believe in it's not nearly enough
Cause at the pearly gates it's gonna be tough

Booked full -
Reception has been closed
No bull -
Your booking's been revoked

Hell has room, no vacancy in heaven

Hell has room, no vacancy in heaven

We never had a reservation for you
Hell's minus 5 star rating will have to do
And it's well suited cause there's more of your kind
Folks full of ignorance and narrow mind

Hell has room... for you too
