

# Killharmonic Orchestra

Lordi

Marquee proclaiming  
Lost symphony of yore  
Elite awaiting  
The long-forbidden score

Unholy notes  
The church forbade  
The melody composed  
It's Satan made

Death by overture  
Killharmonic orchestra  
(Killharmonic orchestra)  
Final premiere  
Killharmonic orchestra  
(Killharmonic orchestra)

(Killharmonic orchestra)

There is a reason  
This symphony is banned  
The last show of the season  
And the patrons are now damned

Unholy notes  
The church forbade  
The melody composed  
It's Satan made

Death by overture  
Killharmonic orchestra  
(Killharmonic orchestra)  
Final premiere  
Killharmonic orchestra  
(Killharmonic orchestra)  
Death by overture  
Killharmonic

Demonic frequencies collide  
The gates of hell are opened wide

(Killharmonic orchestra)

Death by overture  
Killharmonic orchestra  
(Killharmonic orchestra)  
Final premiere  
Killharmonic orchestra  
(Killharmonic orchestra)  
Death by overture
