

Like a Bee to the Honey

Lordi

"It's been a week since my baby left me and I'm just sitting
Here all by myself wondering where she could be
So if you're out there listening, honey, check out this groove
And what I'm trying to say"

Girl, it feels like a year since you left me, just a week's gone by
But every time that we say that it's over, we give it one more try

I wish that I could forget you (and let you go)
And go our separate ways
But everything I do keeps me coming back to you, girl

I'm just like a bee to the honey
Sweet like a treat I'm addicted to you
Baby, like a bee to the honey, gotta dip into your fruit jar

Every night as I stand in the doorway I wonder where you are
A voice inside of my head keeps repeating
You've pushed me much too far

If I could only forget you (and let you go)
And go our separate ways
But everything I do just keeps me coming back to you

I'm just like a bee to the honey
Sweet like a treat I'm addicted to you
Baby, like a bee to the honey, gotta dip into your fruit jar

I'm just like a bee to the honey
Sweet like a treat I'm addicted to you
I'm missin' my baby (missin' my baby)

I wish that I could forget you (and let you go)
And go our separate ways
But everything I do keeps me coming back to you, girl

"So if you're out there listening, honey, check out this groove
And what I'm trying to say"

I'm just like a bee to the honey
Sweet like a treat I'm addicted to you
Baby, like a bee to the honey, gotta dip into your fruit jar

I'm just like a bee to the honey
Sweet like a treat I'm addicted to you
Baby, like a bee to the honey, gotta dip into your fruit jar

I'm just like a bee to the honey
Sweet like a treat I'm addicted to you
Baby, like a bee to the honey, gotta dip into your fruit jar
