

# Rejected

Lordi

Live by the words of the good book  
Obey society's rules  
All it takes is one real look  
And you can see right through

Like an invisible being  
Roaming alone in the crowd  
No one is hearing or seeing  
Acting deaf when we shout

Re jec ted  
Re jec ted fucks  
Re jec ted  
We are  
Re jec ted fucks

Rejected  
Deleted from the minds  
Unwanted  
Rejected for life

Is this the meaning of normal  
When no one's meeting your eyes  
Defy the self-righteous moral  
And let the freak flag fly

Like an invisible being  
Roaming alone in the crowd  
No one is hearing or seeing  
Acting deaf when we shout

Re jec ted  
Re jec ted fucks  
Re jec ted  
We are  
Re jec ted fucks

Rejected  
Deleted from the minds  
Unwanted  
Rejected for life

Re jec ted  
Re jec ted fucks  
Re jec ted  
We are  
Re jec ted fucks

Rejected  
Deleted from the minds  
Unwanted  
Rejected for life
