

SCG9: The Documented Phenomenon

Lordi

"My name is Father Rouis
It is Sunday February 15th 1974
It is 10:30 PM
I am here with Anna and her family
Who've been experiencing supernatural phenomenon
Anna, you're under hypnosis
But you can talk to me
And you can open your eyes
You will stay deep under hypnosis
Anna, how are you doing today?"

"Anna's gone"

"Okay, so who am I talking to?
What is your name?"

"You can call me Father Rouis
What should I call you?"

"You don't get to ask me anything
You stupid f*cking cunt!"

"in Christ name, demon!
I compel you to tell me your name!
I compel you to tell me your name!
I compel you to tell me your name!"
