

# Steamroller

Lordi

All the vixens stand in line  
Waiting for my freak night  
Be the new flesh for the sacrifice  
Screaming out the mating call  
Be aware, I'm the lord!

Calling all the  
Calling all the monsters!

Yeah, the roller  
Yeah, ride the roller  
Steamroller of love  
Yeah, the roller  
Yeah, I'm the roller  
Steamroller of love

All the things I haven't got  
Soon I will and you will not  
I want more, I want a lot  
I rock you with my thunder-wheels  
I'm a monster made of steel

I'm a thunder  
I'm a rock, I'm rolling

I'm the roller  
Yeah, ride the roller  
Steamroller of love  
Yeah, the roller  
Come ride the roller  
Steamroller of love

I'm the roller  
Yeah, ride the roller  
Steamroller of love  
Ride the roller  
Come ride the roller  
Steamroller of love

Yeah, the roller  
Yeah, I'm the roller  
Steamroller of love  
Yeah, the roller  
Yeah, I'm the roller  
Steamroller of love
