

# Syntax Terror

Lordi

Raining down like thunder  
Ripping up the sky  
Now I hunt the hunter  
Be prepared to die

Danger in the darkness  
Carnivore by trade  
Whores and saints are targets  
Screaming out my name

Neon storm  
Demon horns  
Evil born  
Godlike form  
Syntax terror  
Syntax terror  
Syntax terror

Spreading the corrosion  
Octopus of steel  
Unstoppable in motion  
Shooting off the reel

Twisted and contorted  
Fueled by living hate  
Whores and saints are targets  
Screaming out my name

Neon storm  
Demon horns  
Evil born  
Godlike form

Rubidium  
Hot cesium  
All liquid steel  
Hard rain for real  
Electrified  
True genocide  
Here comes the rain  
Now say my name

Syntax terror  
Syntax terror  
Syntax terror  
Syntax terror

Neon storm  
Demon horns  
Evil born  
Godlike form

Neon storm  
Demon horns
