

# ZombieRawkMachine

Lordi

You know it's coming, The earth shakes  
You hear it's knocking like hell at the gates  
You cannot help it, You let go  
You raise your fist and your hair starts to grow  
And the masses are marching to this groovy beat  
The living dead dancing out in the streets

[Chorus]

It's the zombie rock machine (yeah yeah)  
It's the zombie rock machine (yeah yeah)  
It's the zombie rock machine (yeah yeah)  
It's the zombie rock machine (yeah yeah)  
Oh Yeah!  
Huh!

Gray-skinned heads banging, Some get loose  
Rocking and rolling in wet gory mousse  
Fists pounding, Dead feet tap  
Rock hard until the worms make the spines snap  
And the masses are marching to this groovy beat  
The living dead dancing out in the streets

[Chorus]

It's the zombie rock machine (yeah yeah)  
It's the zombie rock machine (yeah yeah)  
It's the zombie rock machine (yeah yeah)  
It's the zombie rock machine (yeah yeah)

Ooh-ooo-ooo  
Ooh-ooo-ooo  
Ooh-ooo-ooo  
Ooh-ooo-ooo

[Solo]

It's the zombie rock machine (yeah yeah)  
It's the zombie rock machine (yeah yeah)  
It's the zombie rock machine (yeah yeah)  
It's the zombie rock machine (yeah yeah) [x2]
