

# '71 Charger

Loreen

Don't you lay your head, on my head, on my head, on my couch  
I ain't got the time won't waste time on your insides and out

You says if I don't concern me  
They'll sell my sexy worries  
Bite your tongue hun, keep it to yourself  
Don't you lay your head, on my head, on my head, on my couch

Bite your tongue hun, keep it to yourself  
Bite your tongue hun, keep it to yourself  
To yourself  
I, I'd rather kill myself in a '71 Charger

Rolling back and forth, back and forth, back and forth with you  
r words  
I ain't got the time won't waste time whilst you mess with my n  
erves

Your trouble isn't worthy  
You're talking like it's dirty  
Bite your tongue hun, keep it to yourself  
Rolling back and forth, back and forth, back and forth with you  
r words

Bite your tongue hun, keep it to yourself  
Bite your tongue hun, keep it to yourself  
To yourself  
I, I'd rather kill myself in a '71 Charger  
Bite your tongue hun, keep it to yourself  
Bite your tongue hun, keep it to yourself  
To yourself  
I, I'd rather kill myself in a '71 Charger

Drove by the black road it's my compliment  
Craving the comfort from that empty seat  
I ride on my own

Bite your tongue hun, keep it to yourself  
Bite your tongue hun, keep it to yourself  
To yourself  
I, I'd rather kill myself in a '71 Charger  
Bite your tongue hun, keep it to yourself  
Bite your tongue hun, keep it to yourself  
To yourself  
I, I'd rather kill myself in a '71 Charger
