

Feels Like Heaven

Loreen

Everyone I've ever loved
I hurt, I hurt, I hurt
I was hurting, I was broken up
Now I've woken up
I hurt, I hurt, I hurt
I was hurting like a little child
Was left alone in a haunted home, with no one home
To soothe her fears and catch her tears
To listen to her when she says

She prays to the sky, sky, sky
And I fell to my knees
I fell to my knees
When you came for me
I was seeing red
Why, why, why
Has it taken me so long to see
So long to see
So hard to surrender

I've been seeing red for so long
Surrendering to your rules
Surrendering to your rules
It feels like heaven
I've been seeing red for so long
Surrendering to your rules
Surrendering to your rules
It feels like heaven

Like an animal lashing out
I hurt, I hurt, I hurt
I was hurt and I would bare my teeth
I'd hide beneath the hurt, the hurt, the hurt
I was hurt and it was hard to heal a heart of steel
I fight to feel that your love is real
You stay with me another day
I sink my teeth and then you say

She prays to the sky, sky, sky
And I fell to my knees
I fell to my knees
When you came for me
I was seeing red
Why, why, why
Has it taken me so long to see
So long to see
So hard to surrender

I've been seeing red for so long
Surrendering to your rules
Surrendering to your rules
It feels like heaven (Heaven)
I've been seeing red for so long (So long to see)
Surrendering to your rules (Your rules)
Surrendering to your rules (Your rules)
It feels like heaven

It feels like heaven
It feels like heaven
It feels like heaven
It feels like heaven (Heaven)
