

## Set Me Free

Loreen

What will I find over the edge?  
As I reach out to fly, I'm holding my breath

Then I hear the wind calling, calling  
Calling, calling  
Calling, calling  
I hear the wind calling, calling  
Calling, calling  
Calling, calling

Set me free, oh, set me free  
I feel sweet release rushing over me  
Oh no, gravity, even gravity  
Can't keep hold of me, oh no, set me free  
Oh, set me free  
Oh, set me free  
Oh, set me free  
Oh, set me free

These wings I lost, I find them again  
And as I fly to the sun, she's warm like a friend

And I hear the wind calling, calling  
Calling, calling  
Calling, calling  
I hear the wind calling, calling  
Calling, calling  
Calling, calling

Set me free, oh, set me free  
I feel sweet release rushing over me  
Oh no, gravity, even gravity  
Can't keep hold of me, oh no, set me free  
Oh, set me free  
Oh, set me free  
Oh, set me free  
Oh, set me free  
Oh, set me free  
Oh, set me free  
Oh, set me free  
Oh, set me free  
Oh, set me free
