

# Nobody To Love

Loren Gray

I've got these feelings spinning like a tornado  
I can hear my heartbeat playing on and on  
Blinded by the lights  
Demons in my mind  
Now I only need myself to let them go

I'll be saying oh-na-na  
I don't need nobody to love tonight  
I've been dancing 'round my heartache  
I say oh-na-na  
I don't need nobody to touch, to love  
I've been dancing 'round my heartache

I say da-da-da-da  
Da-da-da-da-da-da-da  
Say da-da-da-da  
Say da-da-da-da-da-da  
Da-da-da-da  
Da-da-da-da-da-da-da  
Say da-da-da-da  
Say da-da-da-da-da

Oh-na-na  
I don't need nobody to love tonight  
I've been dancing 'round my heartache  
I say oh-na-na  
I don't need nobody to touch, to love  
I've been dancing 'round my heartache  
I say

I can see my own reflection in the smoke  
Show me places where I've never been before  
Let go and get in high  
With me myself and I  
Been lost and broken but this time I know

I'll be saying oh-na-na  
I don't need nobody to love tonight  
I've been dancing 'round my heartache  
I say oh-na-na  
I don't need nobody to touch, to love  
I've been dancing 'round my heartache

I say da-da-da-da  
Da-da-da-da-da-da-da  
Say da-da-da-da  
Say da-da-da-da-da-da  
Da-da-da-da  
Da-da-da-da-da-da-da  
Say da-da-da-da  
Say da-da-da-da-da

Oh-na-na  
I don't need nobody to love tonight  
I've been dancing 'round my heartache  
I say oh-na-na  
I don't need nobody to touch, to love

I've been dancing 'round my heartache  
I say oh-na-na  
I don't need nobody to love tonight  
I've been dancing round my heartache  
I say oh-na-na  
I don't need nobody to touch, to love  
I've been dancing 'round my heartache  
I say
