

## Predictable

Loren Gray

Why am I your girlfriend  
You seem ashamed, yeah  
Are you searching for a way out  
A reason to stay, oh

It smells like gasoline  
You light me up like a cigarette  
I still remember all the shit you said  
When you had too much to drink  
Yeah I wonder why I stay

When you always make it difficult, difficult  
I hate that this is typical, typical  
Tell me something I don't know, I don't know  
'Cause you're so predictable, typical yeah

Look at you  
So woe is me, you kick and scream  
What you gonna do  
Pick up and leave  
I bet you won't find someone who  
Wants to  
Put up with that  
I know you'll keep on crawling back

Oh, it smells like gasoline  
You light me up like a cigarette  
I still remember all the shit you said  
When you had too much to drink  
Yeah I wonder why I stay

When you always make it difficult, difficult  
I hate that this is typical, typical  
Tell me something I don't know, I don't know  
'Cause you're so predictable, typical yeah

Predictable should've let you go
