Nalgeun nae saenggakdeure oneuldo jyeobeorin chae

My lies are getting told
These folks they'll never know
Inside what's left of my mind

And I should never show
If I'm ever gonna be unknown
So drag me back in line
'Cause I'm never gonna be alright
'Cause I'm never gonna be alright

Haega jin hueneun

Sigyereul chaji anneun meori
Ppalganbullo makin geori
Guess you told me so
I'm fucked from the get go
What's left for me but echos
While

My lies are getting told
These folks they'll never know
Inside what's left of my mind

And I should never show
If I'm ever gonna be unknown
So drag me back in line
'Cause I'm never gonna be alright
'Cause I'm never gonna be alright

Our lives are getting short
But death'll stay ignored
We're running out of time

So blast your radio
And bury me so I can grow
'Cause I won't leave alive

My lies are getting old
These fucks they'll never know
If only I could show
But I got no control
I'll never know

뷰 뜬 머리 믿 난 지구인걸
날 잡던 다린 다 태워논걸
낡은 내 생각들에 오늘도 접어버린 채
가라앉기 바쁜데

My lies are getting told

These folks they'll never know
Inside what's left of my mind

And I should never show
If I'm ever gonna be unknown
So drag me back in line
'Cause I'm never gonna be alright
'Cause I'm never gonna be alright
