

## Breakin' It

Loretta Lynn

If there was anyway out where I could slip away  
And take my heart with me  
If there was anyway out where I could slip away  
And leave my mind at ease  
Cause if my head was on right you wouldn't be sittin' here tonight  
Watchin' me shakin' it hmm  
And if my heart was intact you know I'd let you have the first crack  
Hmm at breakin' it

If you were anything less than what you are to me  
Well I would have a reason then  
For callin' it quits instead of throwin' me sits  
Over where you've been  
And if the love you stole wasn't still the best that I've known  
I wouldn't be takin' it oh no  
And if my heart was intact you know I'd let you have the first crack  
Hmm at breakin' it

And if my body didn't burn every time my head didn't turn  
I wouldn't be thinkin' it no no  
And if my heart was intact you know I'd let you have the first crack  
Oh at breakin' it
