

# I Don't Want To Hear It Anymore

Loretta Lynn

You tell me that it's over  
You tell me that we're through  
Now you come back with your same old alibis  
But I don't want to hear it anymore

There was a time when I wanted you  
But I slowly felt the change  
I'd be a fool again if I just had the time  
But I don't want to hear it anymore

I've been hurt so many times before  
Lord, I told myself that last time  
I wasn't gonna be hurt no more  
By you

There was a time when I wanted you  
But I slowly felt the change  
You know I'd be a fool again if I just had the time  
But I don't want to hear it anymore

'Cause it's over, babe, oh yeah  
Just let them cards fall where they may  
I'll close this door and I'll just walk away  
'Cause I don't want to hear it anymore  
No, I don't want to hear it anymore
