## **I Still Miss Someone**

## **Loretta Lynn**

At my door the leaves are falling a cold wild wind will come Sweethearts walk by together and I still miss someone

I never got over those blue eyes I see them everywehere I miss those arms that held me when all the love was there

I wonder if he's sorry for leavin' what we'd begun There's someone for me somewhere and I still miss someone There's someone for me somewhere and I still miss someone
