## If You're Not Gone too Long

## **Loretta Lynn**

I'm gonna wipe these teardrops from my eyes
There ain't no use for me to cry
And there's some things I think I need to say
I'll think about you every day every day while you're away
I'll be true to you honey while you're gone if you're not gone too long

But if you're gone for a year or two it may be too long for me to be true

I'll be true to you honey while you're gone if you're not gone too long

Tomorrow you'll be gone I know so love me now before you go We don't know what's farther down the road

There may be a detour sign to upset plans of yours and mine

I'll be true to you honey while you're gone if you're not gone too long

But if you're gone for a year or two...
Oh yeah if you're not gone too long
