

It's Such a Pretty World Today

Loretta Lynn

It's such a pretty world today I look at the sunshine
And every day's the same since I met you
It's such a pretty world today knowin' that you're mine
And happiness is being close to you

And though the rain may fall my skies will all be blue
If I look close enough the sun would come shinin' through
It's such a pretty world today look at the sunshine
Today and every day since I met you

Though the rain may fall...
Today and every day since I met you
