It's Such a Pretty World Today

Loretta Lynn

It's such a pretty world today I look at the sunshine And every day's the same since I met you It's such a pretty world today knowin' that you're mine And happinsess is being close to you

And though the rain may fall my skies will all be blue If I look close enough the sun would come shinin' through It's such a pretty world today look at the sunshine Today and every day since I met you

Though the rain may fall...

Today and every day since I met you
