

## Pill

Loretta Lynn

You wined me and denied me when I was you girl  
Told me if I'd be your wife you'd show me the world  
But all I've seen of this old world is a bed and a doctor bill  
I'm tearin' down your brooder house because now I've got the pi  
ll

All these years I've stayed at home while you had all your fun  
And every years that's gone by another baby's come  
There's gonna be some changes made right here on nursery hill  
You've set this chicken your last time cause now I've got the p  
ill

This old maternity dress I've got is going in the garbage  
The clothes I'm wearing from now on won't take up so much yarda  
ge

Miniskirts hot pants and a few little fancy frills  
Yeah I'm making up for all those years since I've got the pill

I'm tired of all your crowing how you and your hens play  
While holding a couple in my arms another's on the way  
This chicken's done for up her nest and ready to make a deal  
And you can't afford to turn it down cause you know I've got th  
e pill

This incubator is overused because you've kept it filled  
The feeling good time's easy now since I've got the pill  
It's gettin' dark it's roostin' time and that's too good to be  
real

Oh daddy don't you worry now cause momma's got the pill  
Oh daddy don't you worry now cause momma's got the pill
