Walk Through This World With Me

Loretta Lynn

Walk through this world with me go where I go Share all my dreams with me oh I need you so In life we search and some of us find I've looked for you a long long time

And now that I found you new horizons I see Come take my hand and walk through this world with me

Walk through this world with me go where I go Share all my dreams with me I've searched for you so And now that I found you...

Come take my hand and walk through this world with me
