

# You Don't Have to Be a Baby to Cry

Loretta Lynn

You don't have to be a baby to cry  
All you need is for love to go wrong  
You don't have to be a baby to cry  
Or to lie awake the whole night long

When you leave me my golden rainbow disappears  
Then you leave me a broken heart that's full of tears  
These ain't raindrops in my eyes why should I lie  
You don't have to be a baby to cry

When you leave me...  
A little bitty baby you don't have to be a baby to cry
