## You Don't Have to Be a Baby to Cry

**Loretta Lynn** 

You don't have to be a baby to cry All you need is for love to go wrong You don't have to be a baby to cry Or to lie awake the whole night long

When you leave me my golden rainbow disappears
Then you leave me a broken heart that's full of tears
These ain't raindrops in my eyes why should I lie
You don't have to be a baby to cry

When you leave me...
A little bitty baby you don't have to be a baby to cry
