

## Christmas

Lori Carson

Hope you're not disappointed  
In the way things turned out  
Can we be starry-eyed  
Still lovers after all this?  
Love was hard to find  
But we have  
Love was hard to find  
Wish I could un-do the past  
Or free you from it  
But I'll never hurt you baby  
Not like that  
Don't stop believing in the future  
Or yourself  
I don't know why it happened  
But it did and I'd walk  
Backwards through fire to love you  
It doesn't take less my love  
It doesn't take less my love  
To stay when you want to run  
To open and open and open and open  
If I said all of this  
With just the right inflection  
Could we go on from here?  
Love was hard to find  
But we have  
Love was hard to find  
But we have  
Love was hard to find
