

# Waking To The Dream Of You

Lori Carson

They say nothing lasts forever  
But in my heart I still believe  
That two people can stay together  
Maybe my thinking is a bit naive  
Now I'm living in this brand new world  
The one without you by my side  
And I'm getting all this good advice  
On making it an easy ride  
They say  
Don't call him up  
Don't be alone  
Don't be waiting  
For him to come home  
Well, I'm not calling  
I'm not waiting  
I'm not crawling  
But I'm aching and crying  
And waking to the dream of you  
I wake up to the dream of loving you  
No matter what I do  
I wake up to the dream of loving you  
Do you feel it too?  
Hey baby do you think about me?  
Do you miss me like I'm missing you?  
Are you getting the same advice  
from friends who want to help you through?  
They say  
Don't call him up  
Don't be alone  
Don't be waiting  
For him to come home  
Well, I'm not calling  
I'm not waiting  
I'm not crawling  
I'm not breaking  
I'm not pleading  
I'm not falling  
But I'm aching and crying  
And waking to the dream of you
