

## Humble & Kind

Lori McKenna

Know there's a light that glows by the front door  
Don't forget the key is under the mat  
Watch how the stars shine  
Always stay humble and kind  
Go to church cause your mama says to  
Visit grandpa every chance that you can  
It won't be wasted time  
Always stay humble and kind

Hold the door, say please, say thank you  
Don't steal, don't cheat, and don't lie  
I know you got mountains to climb  
But always stay humble and kind  
When the dreams that you're dreaming come true  
When the work you put in is realized  
Let yourself feel the pride  
But always stay humble and kind

Don't expect a free ride from no-one  
Don't hold on to a chip, and here's why  
Bitterness keeps you from flying  
Always stay humble and kind  
Know the difference between sleeping with someone  
And sleeping with someone you love  
I love you ain't no pick-up-line  
So, always stay humble and kind

Hold the door, say please, say thank you  
Don't steal, don't cheat, and don't lie  
I know you got mountains to climb  
But always stay humble and kind  
When these dreams that you're dreaming come true  
When the work you put in is realized  
Let yourself feel the pride  
But always stay humble and kind

When it's hot eat a rootbeer popsicle  
Shut off the AC and roll the windows down  
And let the summer sun shine  
Always stay humble and kind  
Don't take for granted the love this life gives you  
Where you get where you're going turn right back around  
And help the next one in line  
Always stay humble and kind
