

# So Small

Lori McKenna

What you got if you ain't got love  
The kind that you just want to give away  
It's ok to open up, go ahead and let the light shine through

I know it's hard on a rainy day  
You wanna shut the world out and just be left alone  
But don't run out on your faith, 'cause

Sometimes that mountain you've been climbin'  
Is just a grain of sand  
And what you've been out there searchin' for forever  
Is in your hands  
And when you figure out love is all that matters after all  
It sure makes everything else  
Seem so small

It's so easy to get lost inside  
A problem that seems so big at the time  
It's like a river that's so wide, it swallows you whole

While you're sittin' 'round thinkin' 'bout what you can't change  
And worryin' about all the wrong things  
Time's flyin' by, movin' so fast  
You better make it count 'cause you can't get it back

Sometimes that mountain you've been climbin'  
Is just a grain of sand  
And what you've been out there searchin' for forever  
Is in your hands  
And when you figure out love is all that matters after all  
It sure makes everything else  
Seem so small

Sometimes that mountain you've been climbin'  
Is just a grain of sand  
And what you've been out there searchin' for forever  
Is in your hands  
And when you figure out love is all that matters after all  
It sure makes everything else  
Seem so small  
So small
