How Does It Feel

Lorrie Morgan

Hey, how does it feel
When did you know
When to let it go
Hey, weren't you afraid
The choices you made
And walking away

Girl, you been here before
You what it's like
Let me cry on your shoulder
When would you realize
It was a lie and it was over
Yet you stayed up all night long
Ooh, drinking wine and playing sad songs

Yet your heart just turned to stone
Before you could move on

What you'd spend to close your eyes
Ooh, I'm so You'll be naked through the night
this fire
Please help me to see
That I don't need him
Cause he don't love me
When am I gonna heal
I just need to know
How does it feel
...
