

What I'd Say

Lorrie Morgan

Talking to the mirror
Whispering your name
Just like you were here
I think I was insane
I hold these conversations
In the silence of this room
Rehearsing all the things I'd say
Should I run into you

How's it going
Might be what I'd say
You broke my heart, you know
Or it looks like rain today
Or maybe, God, I missed you
Since you went away
You're looking well
Or go to hell
Might be what I'd say

There's times I feel so angry
I put my fist right through the wall
And then there's times I come so close

To giving you a call
I love you and I hate you
All at the same time
I pray you'll come back to me
Before I lose my mind

How's it going
Might be what I'd say
You broke my heart, you know
Or it looks like rain today
Or maybe, God, I missed you
Since you went away
You're looking well
Or go to hell
Might be what I'd say

Or maybe, God, I missed you
Since you went away
You're looking well
Or go to hell
Might be what I'd say
Might be what I'd say
Might be what I'd...
