

So Please

Los Cafres

As soon as you reach me
my soul got richer, a lot richer than before
my hearth got more open
my walking in life got softer

So please, tell me what you've done to me
So I can call a name to it
let me know
I need to be knowing why it is so
so please, tell me what you 've done to me
so I can call a name to it, all right now

As you feel it grow, as you'd like to be shown
it is your own picture you are showing these days
these days we should find the way
to describe it to ourselves
as we get to know ourselves better
