

La, La, La

Los Lobos

La, la ,la, la, la
La, la ,la, la, la
La, la ,la, la, la, la
La, la ,la, la, la
I said a la, la, la
Just a one more time

Come and get your soul
Get it ready to go
I said a get your girl now
Get her ready to go

I said a la, la, la
Just a one more time

Come and clap your hands
I said a clap your hands
Oh Yeah!
I said a clap your hands
I said a la, la, la
Just a one more time
