

# My Baby's Gone

Los Lobos

My baby's gone  
She's gone away from me  
My baby's gone  
She's gone away from me  
Living doesn't matter now  
She's going to set me free

Most people say  
That now I'm free from your spell  
Most people say  
That now I'm free from your spell  
Living on the outside  
You know it's hard to tell

Five years relations  
Went down the drain  
What does it matter  
She'll always be the same

My baby's gone  
She's gone away from me  
Crying doesn't matter now  
She's going to set me free

She's going away  
She's going away for good  
She's going away  
She's going away for good  
Crying doesn't matter now  
It wouldn't do a bit of good

She's gone away
