

# Someday

Los Lobos

Someday I will go home  
Someday I will go home  
And I'll find peace in the house  
Of my heavenly father  
I will fear, fear no more

I know down in my heart  
I know it won't be long  
And I shall see the face  
Of my savior  
I will fear, I will fear  
I will fear, pain no more

Someday, I will go home  
Someday, I will go home  
And I shall take the hand  
Of my savior  
I will fear, I will fear  
I will fear, pain no more  
I, I will fear, I will fear  
Pain no more
