

## Uncomplicated

Los Lobos

Blood and Chocolate  
I hope you're satisfied what you have done  
You think it's over now  
But we've only just begun

I asked for water  
And they gave me rose' wine  
A horse that knows arithmetic  
And a dog that tells your fortune

It's in your eyes  
Uncomplicated

I want to buy you  
A big blue Diamel  
Cheap white plastic shoes  
That don't walk out and don't let in

I want to show you  
How I love you  
When you're over me  
There's no-one above you

You think it's over now  
But this is only the beginning
